[JOB TITLE OR DEPARTMENT]

Dear Hiring Manager,

I am Reuben Rob Sibal, a student at Holy Angel University with a deep interest and proficiency in the field of Information and Communication Technology. By submitting my resume, I wish to express my keen interest in becoming a part of your esteemed company.

Through my experience as an encoder at the City Employment Services Office, I have honed my skills in ensuring accurate data entry and maintaining efficiency in my work. My knowledge in Adobe Illustrator, coding, web design, and various Microsoft Office applications equips me to adapt to different projects and provide solutions to technological challenges.

My objective in applying to your company is not only to prove myself in the ICT field but also to be a part of an organization that advocates progress and innovation in technology.

I am confident that my communication skills, organizational abilities, and dedication to learning will be valuable assets to your company. I am ready to contribute my best to maintain the high level of performance and success of your company.

I look forward to the opportunity to discuss further how my skills and experiences align with the needs of your organization. Thank you for your time and consideration.

Best regards,

Reuben Rob B. Sibal
